Regular Business Hours Screening

One of the easiest and most affordable rental options is to buy-out a scheduled showing on Sunday through Thursday. For any scheduled showing, you can buy-out any of the films we are showing. Invite as many as you like to your showing to capacity of the theater the movie is showing in, since it will be your showing to do with as you please.

The theater will be staffed as usual for the weekend. Concessions will be available for purchase at the front counter or you can purchase a concession package.

Lounge area reservation is included in the price for up to two hours before and after the showing.

Regular movies would show as scheduled in the other theater rooms.

Total cost: \$ 700.00

Non Business Hours Screening (Before 12:30PM)

Any easy and affordable rental option is to buy-out a scheduled showing during non-business hours, 9AM-12PM. For any scheduled showing, you can buy-out any of the films we are showing. Invite as many as you like to your showing to capacity of the theater the movie is showing in, since it will be your showing to do with as you please.

The theater will be staffed for your showing. Concessions will be available for purchase at the front counter or you can purchase a concession package. Breakfast packages can also be provided for an additional cost.

Lounge area reservation is included in the price.

Regular movies would show as scheduled usually starting around 12:30 PM in the other theater rooms.

Total cost: \$ 500.00

Renting the Entire Theater

The entire Park Plaza Cinema is available for rentals Monday through Thursday. You choose the date and time for your event, our rental calendar is on a first come first served basis.

We will staff the theater for your event including an event specialist during your planning and the evening of the event. Concessions can be available for purchase at the front counter or you can purchase a concession package. Tickets for Wine or Beer from our Cine-Bar can also be purchased in advance.

For special events and fundraisers we can supply a list of preferred caterers, vendors, etc., if this information is needed.

If your event is ticketed and open to the general public, we will create an ad with your sponsors and run the ad for fourteen days prior to the event on all five of our big screens for three showings a day.

Total cost: \$700.00 for up to 3 hours. \$2000.00 for up to 12 hours.

Showing a Movie at Your Event

Park Plaza Cinema is a fully licensed and operational movie theater. Consequentially, it is illegal for us to show any studio distributed movies in the theater without proper licensing. Studios want their cut of any money we make. This is just how the movie industry works. If there is a particular movie that you would like to show at your event, we can secure the licensing rights to that movie on your behalf. The cost to secure these rights is typically \$250, but it will vary slightly depending on the movie and the studio.

Keep in mind that these movie licensing costs are in addition to the theater rental itself. So for example, if you wanted a private screening of an older movie, the total cost to you would be about \$700. (\$450 for the three hour theater rental (for one theater room), plus \$250 for the film licensing fee.) However, for that price, you are able to fill up the theater room with 174 Star Wars fanatics and enjoy an experience no one will soon forget.

If you would like a private showing on a Friday or Saturday of a movie we have scheduled over the weekend, the costs are much higher. We have already paid the licensing fee and whatever we show on a given weekend can be shown the following week but because of demand we have to charged a higher cost.

Offering Free Concessions or Catered food to your Guests

An additional option to consider is offering free concessions to your guests when they come to your special event. Although cake is allowed in the lobby for birthday parties, we do not allow outside food in the theaters unless catered through a vendors at a separate cost. We can provide all concessions and/or beer and wine for large and small groups. We're also willing to work out a prepayment option for those with smaller groups.

Concession Packages

Children's Package: Includes kid sized popcorn, choice of 100% juice box or bottle of water, and a package of fruit snacks for guests (90 max).

Total cost: \$60 for every 15 orders.

Standard Package: Includes medium sized popcorn, small soda, and small candy bar for up to 90 guests.

Total cost: \$105 for every 15 orders.

Charging Admission

If you would like to charge admission to cover your costs, make profit, or fund a good cause, you may do so under any scenario above. In that case, you will be entirely responsible for charging and collecting admission. We can provide you access to the small ticket booth at the front of the cinema if you like. However, we cannot charge admission at the concessions counter using our registers.

Group Tickets

Regular Group ticket pricing is also available for groups over 25. A small discount will apply with a large group.
